PARENT REPS STILL NEEDED

Have you wondered who all those new faces are in your child’s class this year? Or what’s your son or daughter’s friend’s mum’s name (you’ve met her so many times and embarrassingly keep forgetting!)? Well, you’re not alone and here’s a great way to fix the problem for everyone!!!

We still need parents to come forward to act as representatives for the following classes:

- 1/2 KM
- 3/4 P
- 3/4 G
- 5/6 L
- 5/6 F

It really won’t be much work – just a little coordination and communication every now and again – and the benefits will far outweigh the effort. Ideally we’d like at least two people for each class so you can share the role and make it more fun.

Find or make a friend and share the role – there are plenty of good reasons to help out - for you, your child, their class, their teacher and for the school as a whole. Come on, give it a go! If it’s too horrible we are offering a get out of jail free card for the first 10 people to respond!

Classroom Parent Rep – Registration of Interest

Please provide the following information asap. Either write it on the form below and drop it off at the office or email the information to nicole_cooper@optusnet.com.au.
