Dear Parents,

Our workshop on Baptism with Denise Arnel will take place next Wednesday week, September 9th at 6pm. This workshop is the second one in our Adult and Child Faith Formation Program and as such, is an integral part of this program. All parents are invited to accompany their child to the workshop which will explore the Sacrament of Baptism and hopefully, shed a little more light on our understanding of this first Sacrament of Initiation. After much discussion, we are trialling an earlier start to the evening due to the feedback from parents that a 7:00pm start is too late for our younger students! The workshop will be conducted in the school theatre, commencing at 6:00 pm and will run for approximately 1 hour.

Our facilitator, Denise Arnel, has planned various activities for both the children and the adults and we hope you will be able to join us. I am sure you will remember our "Preps in Pyjamas" night held last year. It proved to be a lovely experience for children and parents, as well as being informative. Denise has presented three workshops to our parents this year and all have been warmly received. I know this workshop too, will be most valuable to both our parents and the children involved.

Please complete the form below, indicating your attendance and return to school as soon as possible.

Many thanks,

Jayne O’Callaghan
Religious Education Leader
