Celebrating Grade 6's Primary School Journey

Tuesday, 1 December 2015

Dear Parents,

As the year draws closer, we wish to confirm the following arrangements that have been put in place to acknowledge and celebrate your child's primary school journey.

Each event has been planned and organised in a way to ensure the opportunity for you to participate and be part of these special last days.

To confirm your attendance, please refer to Caremonkey. An email will be sent out this coming Friday.

**Tuesday: 15. December**

- Grade 6 Graduation Mass – 6.00pm: Mass will be followed by supper in the hall. During the supper, presentations, speeches and a visual presentation will be made. Family members are warmly invited. To assist with catering, we ask that you respond to a Caremonkey invitation that will be sent out this Friday.
- Please note that official awards will be presented at the End of Year Award Ceremony to be held on Friday 17th December at 1.15pm. This is a change from previous years. The reason for the change is that we wish to acknowledge the achievements of our Grade 6 students not just as a year level but as a school community gathered in their honour.

**Wednesday: 16. December**

- Grade 6 Celebration Day: Our students will be having a great day at the Melbourne Aquatic Centre. We are hoping that as many of you, as parents, are able to join in on the fun of the day. You will be transported by bus and join the students for lunch.

**Thursday: 17. December**

- End of Year Mass - 9.30am
- End of Year Award Ceremony – 1.15pm: This is when the major awards and certificates will be presented. It allows the whole school to celebrate with our Grade 6 students, the achievements made over their seven years of primary schooling.
- Grade 6 Farewell Gathering – 2.20pm: As a school (weather permitting) we will gather on the oval to wish our Grade 6's farewell. Our Grade 6 students will form a circle on the oval with the school community gathering around them. There will be a formal blessing, a countdown of the school year and lastly a balloon release. This is one farewell you don’t want to miss nor be late for.

With kindest regards,

Desmond Noack
Principal
