Dear Parents,

As part of our Inquiry Unit based on the concept of Necessity this Term we are visiting The Rethink Education Centre, Bellfield on Friday 21st of August 2015. We will be looking at how we as consumers use the Earth’s resources and how we can reduce our impact on the planet by recycling, recovering and reusing negatively valued material.

Students will need to be at school by 8.30am on the morning of the excursion as the bus will be leaving promptly at 8:45am. This is to ensure that we do not miss out on any experiences on our busy schedule. We will be returning at approximately 3pm.

**All Consent Forms are completed via Care Monkey. Please complete the online submission by Tuesday 18th August.**

A fruit snack will be provided but the children will need to have their Lunch packed in a disposable bag together with a drink of water. At the Rethink Education Centre we will break for a rubbish free refreshment - Students are to take only water bottles into the Centre. Lunch will be eaten after the visit to the Centre. Students will not need bags and their food will need to be well labelled. **Full Winter Uniform must be worn on this day.**

Each grade will need 2 parent helpers each. If you are interested in helping out on the day, please indicate this on Care Monkey. We will also need to collect a copy of your **Working with Children’s Check Card.** We will inform parents of who is coming as soon as we have collected a copy of this documentation.

Kind Regards,
Micheal Portelli & Debbie Geisler
