13 August 2015

Dear Parents,

As part of our Inquiry Unit based on the concept of Sustainability- "Know Your Dirt". We are visiting The CERES Environmental Park on Friday September 11 2015. We will be looking at how we as consumers use the Earth’s resources and how we can reduce our impact on the planet by saving water, the benefits of worm farming and using Organic Gardening Methods.

Students will need to be at school by 8.45am on the morning of the excursion as the bus will be leaving promptly at 9:00am. This is to ensure that we do not miss out on any experiences on our busy schedule. We will be returning at approximately 3pm.

All Consent Forms are completed via Care Monkey. Please complete the online submission by Wednesday 26th August.

Children will need to bring their drink bottle and their lunchboxes, with no plastic wrapping including a fruit snack, play lunch and lunch. Students will not need bags and their food will need to be well labelled. Full Winter Sports Uniform must be worn on this day.

Each grade will need 2 parent helpers each, 6 in total. If you are interested in helping out on the day, please indicate this on Care Monkey. We will also need to collect a copy of your Working with Children’s Check Card. We will inform parents of who is coming as soon as we have collected a copy of this documentation.

Kind Regards,

Marg Flett, Brenda MacDonald and Britt Elliott
