

# 1/2RO CLASSROOM FEATURE

As part of our inquiry unit, the students have been exploring how things change. What better way to observe change than in the kitchen! To help us with our cooking and creating, the grade 5/6 students have been helping us with our learning.

Here are some photos of us making cupcakes, fruit skewers and pizzas. Thank you to our wonderful parent helper Kate Warne! Without your support, we would not have been able to enjoy such a fabulous learning experience.
