

P-1 O CLASSROOM FEATURE

The students of Prep/1 O have been very busy over the past few weeks. Here are some photos showing some of the things we have been up to!

An exciting excursion to Woodend Vet Clinic, where we had a behind the scenes tour and the opportunity to learn all about pets and looking after them.

Working together to build houses for the three little pigs: not one blew over!

Testing out our versions of Noah's Ark. We used resources from around the room and tried to keep our animals afloat.

And, of course, always thinking about our future and what we will be when we grow up!
