Message from the Principal

Dear parents, families and friends,

Welcome to semester two! I hope you had a chance to rest and recharge over the break. It has been great to welcome our students back and catch up with their news.

We have a numerous key events this term that will offer valuable opportunities for our students, staff and community to grow, connect and flourish.

The staff began the term with a professional development program that was designed to offer a dynamic and enriching learning experience that fosters spiritual growth, pedagogical excellence, and missional clarity for all participants.

The program highlights included:

- Keynote Presentation: Dr Joel Hodge (ACU) – Pilgrims of Hope in Catholic Education
- Morning Workshops: Practical strategies for Religious Education and classroom teaching.
- Afternoon Panel: Catholic Social Teaching in action, featuring school and charity representatives
- Instructional Eucharistic Liturgy: Celebrated by Fr Mark Reynolds.

We appreciated this time to further develop our faith and Catholic identity.

St Ambrose Win

I would like to thank the staff and students for taking the time to enter the Council's bin truck art competition! We had over 240 amazing entries, and our panels of judges had a very challenging time selecting the 15 winners!

We would like to inform you that Madeline D (5/6P) and Phoebe G (5/6W) are two of the winners!

You will see their artwork displayed on our local trucks and we will receive a free load of compost as part of the prize.

We applaud the following students' whose artwork was shortlisted:

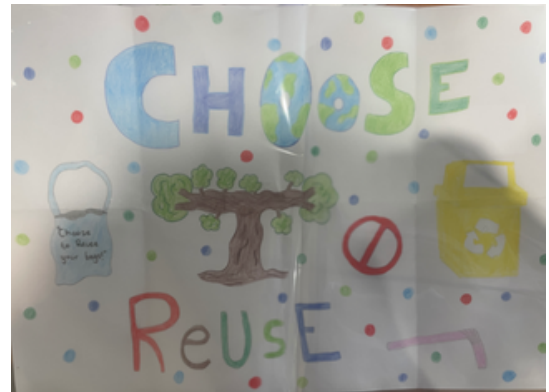

Sophie V (5/6P)

Lizzy D (2KR)

Bassy G (3/4M)

Neve E-S (3/4CW)

Molly M (3/4CW)

Our Beanies Have Arrived!

Captains Asher and Sonny are pleased to announce that our school beanies have arrived! Students can purchase these for \$23.50. We receive \$4.00 for each beanie sold and can put the money towards an area we choose. If you would like your child to purchase one of these cosy beanies you can do so at the front office at 8.45-9.00am or 3.15-3.30pm Monday-Friday next week.

This initiative was inspired by student voice and I congratulate Sonny and Asher for their leadership in making it happen.

Next PFA Meeting

Our next parents and friends association meeting will be held on Monday August 18th at 7.00pm online. Please email Sophie Lynch on sophielynch1981@gmail.com if you would like an online invitation sent.

Next SAC Meeting

Our next school advisory council meeting will be held on Wednesday August 13th at 9.15am in the staffroom.

2026 Enrolments

We will soon be planning for 2026. To avoid disappointment, if there are any families that have a child commencing in prep next year they should submit an enrolment form asap.

If you know of anyone wishing to enrol their child at our great school across any level, you could direct them to our website or encourage them to call the office to make an appointment with me.

Come Dressed for the Weather

We have many of our students coming to school without jumpers or jackets who then come up to the office asking for a spare jumper or jacket to wear as they are cold. It would be helpful if you can support your child to make appropriate choices from uniform items for the winter months.

We do have outdoor play if it is not raining or too windy. This supports children's health and ability to concentrate for their next learning session. We thank you for checking in with your child to make sure they have adequate clothing for the weather.

We also encourage our children to bring a pair of slippers to school. They can then change into them when they come inside if their shoes are wet or muddy.

From Fr John

Wishing you all the best for term three, may it be filled with many exciting things. One of the exciting things happening in the Parish is the restructuring of the local Parishes.

As you know, I am currently the Parish Priest of Woodend, Lancefield and Romsey, and after conversation with the Vicar General, the Archbishop has also appointed me the Parish Priest of Gisborne, Riddells Creek and Macedon. This appointment begins as of September 19th. It is impossible for me to manage these Parishes on my own, an Assistant Priest has been appointed: Fr Wahid Riad. Fr Wahid will live at Gisborne and I will continue to live at Woodend. Fr Wahid and I will share the pastoral and sacramental needs of the six churches and four primary schools. The restructuring keeps the parishes of the Macedon Ranges as a united faith community. Let us continue to keep each other in prayer. Fr John

Curriculum Information Meeting

Deputy Principal Debbie Geisler and I met with a large number of parents for our information evening recently. We were very happy to be able to share information about our great school.

We have also welcomed numerous members from the local community on our school open mornings. We have another opening morning- afternoon coming up on August 11th from 11.30am-1.00pm.

2025 Naplan Reports

Our year 3 and 5 students families should have received their child's 2025 NAPLAN report. Congratulations to our students who performed strongly across all domains.

Junior Chef

Those students in year 4, who are interested, are currently working on their video applications to gain one of the four positions in the annual SHC junior chef competition. Our four successful applicants will represent our school. We will keep you posted.

Outdoor Maintenance and Please Use Footpaths

David and Jorel are pictured above collecting equipment that has been left on our oval. We are launching a student initiative to promote responsibility for our belongings and resources.

The SRC are collaborating on this initiative which we will detail in our next newsletter. We thank Jorel and David for their dedication to our grounds maintenance.

We ask that all in our community please use the designated footpaths so that our lawns can replenish and to reduce the mud that is coming inside to our carpets.

Thank you everyone for using footpaths and wiping your shoes before entering our building.

Athletic Trials

On Monday our year 3-6 students engaged in athletic trial events. It was fantastic to see our children having a go and congratulate them for their positive attitude. Those who qualified will be competing in the Cobaw & District Athletic Trials.

Calling for Core Committee Members for our 2026 School Fete. We Need Your Help!

We are very keen to start planning for our 2026 School & Parish Fete. In order to make this event possible we need a number of willing parents to **join our core planning committee**. If you are interested in joining this group to make our next Fete possible please email Sophie Lynch on sophielynch1981@gmail.com

Making a Splash in Swimming Lessons Our swimming program kicked off with a big splash! Students have been developing their skills in the pool—learning important water safety techniques, floating, and building confidence. It's been fantastic to see so many smiling faces, proud moments, and growing independence in the water.

NAIDOC Week: Honouring Culture and Country

During our first week back, our students took time to reflect on and celebrate the rich cultures, histories and achievements of Aboriginal and Torres Strait Islander peoples. Through art, storytelling, and class discussions, students learned about this year's theme: "The Next Generation: strength, vision and legacy."

Stepping Back in Time: Our Inquiry into the Olden Days We've just begun our new inquiry unit all about life in the olden days—and the curiosity is already buzzing! Students will be exploring what school, home, transport and technology were like in the past, and how things have changed over time.

Learning All About Shapes In the classroom, we have been diving into the world of shapes! From triangles to circles and everything in between, we've been exploring 2D and 3D shapes through sorting, building, drawing, and even going on "shape hunts" around the school grounds.

Our Social Justice Leaders are pleased to announce that St Ambrose School is participating in the **Bullying No Way: National week of action, 11th to 15th August 2025.**

Our Social Justice Leaders are pleased to announce that St Ambrose School is participating in the **Bullying No Way: National week of action, 11th to 15th August 2025.**

The theme for this year's campaign is **Be Bold. Be Kind. Speak Up.** It takes a community to be brave and address bullying behaviours, within and beyond the school gate. Students can be bold, kind and take a stand to support others being bullied, while parents and teachers are there to support children to learn how to behave in a positive way. In our community and in our school, we want a place where everyone can belong, a place that celebrates everyone, and where bullying is never accepted.

For more information about Bullying No Way Week and bullying prevention, visit the [Bullying No Way website](#).

The hero colour for the campaign is **purple** – symbolising peace, strength and empowerment to take a stand against bullying behaviour. The students will be invited to wear a **pop of purple** to school on Wednesday 13th August.

During the week we will be engaging students in meaningful discussions and activities aimed at promoting empathy, understanding, and respect for diversity.

This year, the Kid's Helpline is hosting a national live online 20 minute Anti Bullying session for all Primary aged students on Monday 11th August, at 1.00pm, of which we at St Ambrose will participate in.

The 2025 primary school Anti-Bullying session has been thoughtfully designed by the Kids Helpline Counsellors to suit students from Prep to Year 6. The 20-minute live session will cover the following key areas:

- What is bullying?
- The impacts of bullying
- Stand Up Actions – Covert strategies to protect yourself and others, including building support networks and showing empathy
- Stand Out Actions – Overt strategies such as interrupting bullying and speaking out
- Identifying your safety net

If you have any questions about this session or do not want your child to participate please let their classroom teacher know.

We encourage parents and carers to take this opportunity to have open and honest conversations with their children about the impact of bullying and what they can do if they need support. You can visit the [Bullying No Way website](#) for tips around how to have this discussion.

You can access the school's bullying prevention policy [here](#) to learn more about our process for preventing and responding to bullying.

If you have concerns that your child is being bullied, please contact your child's teacher in the first instance. If you believe the behaviour constitutes a crime, or is a serious incident of cyberbullying, please refer to the Bullying No Way website for information on [how to report](#) to other authorities and [access wellbeing help](#).

Macedon Ranges Health
supported by **benetas**

Macedon Ranges Shire Council and Macedon Ranges Health have launched a Grade 6 Mental Health and Wellbeing survey for students and their parents.

This survey is voluntary, completely anonymous and takes about 5 minutes to complete.

We know grade 6 can be a crucial time of adjustment, with students preparing to transition to high school. The aim of this survey is to better understand the current health and wellbeing-related needs for grade 6 students and their families, and the information will be used to inform future health and wellbeing initiatives and effective early education and prevention strategies for grade 6 students and parents across the Macedon Ranges Shire.

This survey is open until Friday 8th August, and we encourage all parents and caregivers to participate and support their children to participate also.

Thank you for contributing to the health and wellbeing of our Macedon Ranges young people!

Prayer:

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come;
thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation;
but deliver us from evil.

Pope Francis' Prayer Intention for August:

For mutual coexistence
Let us pray that societies where
coexistence seems more difficult might
not succumb to the temptation of
confrontation for ethnic, political,
religious, or ideological reasons.

Ponder:

Can you recall a time in your life when
God answered your prayer in a most
magnificent way?

CHILDREN'S LITURGY

Gospel Reflection: Luke 11:1-13

It seems like a dream come true—ask, and the Father will give to you.

When we stop and consider the blessings God has bestowed on us during the course of our lives, we can become overwhelmed by His sheer goodness. How many times have we worried and fretted, only to see the Lord work things out for us?

And yet, doubt can creep into our minds, making us wonder whether the Lord really loves us.

The Our Father is a reminder of God's devotion to us.

We ask for bread—both that which nourishes our bodies and the sacred host by which we receive Holy Communion—and God provides. He is, in fact, the ultimate provider, giving us all we need at exactly the right moment.

For our part, we need to forgive as the Lord forgives — completely and without hesitation. That does not mean justifying bad behavior—on the contrary, we recognize the implications of an offense against us, but we choose to forgive, anyway, as the Lord has taught us.

If I pray for a million-dollar jackpot, the odds are not in my favor that I will be a winner. Yet, God lavishes love upon me, making me feel as if I were wearing a million-dollar designer gown.

I have lost count of the number of times God has answered my prayers—often in extraordinary ways. Look deep into your heart today and consider all of the times our Heavenly Father demonstrated His care for you from the storehouse of His provision.

And keep in mind that, while God may answer no, there may be a greater yes right around the corner. As my late father used to say, "God's delay does not mean God's denial."
